

Foaming Degreaser Cleaner SC

DESCRIPTION

A low odor, high foaming degreaser/cleaner designed for use in supermarkets, kitchens, food service facilities and other areas where foam degreasing is desired. May be used on floors, walls and equipment. High performance formula with exceptional degreasing performance combined with viscous foam for all-surface contact. USDA approved. Effective on walls, floors, cutting tables, trays, display cases, bandsaws and equipment. A Super Concentrated blend of penetrants, emulsifiers, grease liquifiers, detergents, and foaming agents for removal of animal fats, oils, and greases. Creates a thick, clinging foam that easily cleans and degreases vertical surfaces and equipment.

DIRECTIONS FOR USE

Dispense Foaming Degreaser Cleaner Super Concentrate through CLEAN SMART™ Supermarket Dispensing Center. Apply solution through foaming applicator. Allow cleaner to penetrate the soiled surface for 5 minutes and rinse off with a high

pressure spray of hot water. Aluminum surfaces must be rinsed immediately. On food contact surfaces rinse thoroughly with potable water.

SPECIFICATIONS

Boiling Point (°F).....212
Vapor Pressure.....= To Water
Solubility In Water..... Complete
Appearance..... Clear, Thin Yellow Liquid
Specific Gravity (g/cc)..... 1.12 ± 0.01
pH..... 13.6 ± 0.3

Dilution 1:96
Odor..... Mild ammonical
Container..... Sealed; Dual Flow
Surface Degreasing..... Excellent
Butyl-Free..... Yes
Phosphate-Free..... Yes

SAFETY INFORMATION

DANGER: CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. MAY CAUSE RESPIRATORY IRRITATION. KEEP OUT OF REACH OF CHILDREN.

Prevention: Do not breathe the mist or vapor. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area.

Response: If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep

comfortable for breathing. Immediately call a poison center/doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Storage: Store locked up.

Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

All components are on the U.S. EPA TSCA Inventory List. For Commercial and Industrial Use Only
