

COMMAND™

Oil / Tar / Grease Carpet Spot Remover

DESCRIPTION

Superior spot remover for tough stains caused by oil, tar, grease and other petroleum-based sources. Rapidly penetrates and completely removes stains before or after carpet extraction. Not for use on stain resistant carpets.

PRODUCT FEATURES / BENEFITS

- Utilizes soil releasing agents / Releases soils onto brush or cloth
- Fast penetrating action / Requires less waiting and minimizes labor costs.
- Contains powerful water soluble solvents / Rapidly penetrates grease and oil spots
- Free rinsing / Does not leave a residue behind

DIRECTIONS FOR USE

COMMAND™ is a ready-to-use carpet spot remover designed to remove even the toughest petroleum-based spots and stains on carpet easily. Uses a sophisticated solvent / surfactant formula to penetrate stains in carpet and remove them with a minimum of effort. Just spray, and blot the stain away!. Take command of tough stains with this outstanding product.

- 1) Pretest carpet for colorfastness in an inconspicuous area.
- 2) Blot up excess liquid with a clean absorbent white cloth.
- 3) Spray COMMAND™ full strength onto spot or stain.

- 4) Agitate with a carpet brush or clean cloth.
- 5) Blot with a clean absorbent white cloth.
- 6) Repeat as necessary.
- 7) Allow to dry completely, then vacuum.

NOTE: Due to the variety of carpeting materials this product should be tested in an inconspicuous area. Use clean cloth or sponge for application and if test area indicates bleeding, color removal, carpet shrinkage or deterioration of adhesive, do not use.
