Non-Ammoniated Wax & Floor Finish Stripper

DESCRIPTION

A non-ammoniated, non-butyl stripper that removes floor finish, sealers and wax from resilient floor surfaces. This cost effective product utilizes wetting agents, amines, penetrants and synthetic detergents to safely remove modern day floor finishes.

PRODUCT FEATURES / BENEFITS

- Cost effective / Low material cost saves inventory dollars
- Cannot damage floor surfaces / Safe for resilients, ceramics, marble and terrazzo
- Non-ammoniated formula / No irritating ammonia fumes
- Effective wetting system / Keeps finish moist allowing the product to work at all times
- Use on any type of finish or wax / Will remove metal interlocked finishes or old wax

DIRECTIONS FOR USE

A heavy duty stripper designed for complete safe and efficient removal of modern detergent resistant floor finishes, sealers and wax from all types of resilient and hard surface flooring.

For Light Detergent Resistant Floor Finish Build-up or Wax Removal: 1 part stripper to 16 parts water, or 8 oz. stripper to 1 gallon water.

For Normal Detergent Resistant Floor Finish Build-up or Wax Removal: 1 part stripper to 12 parts water, or 10 oz. stripper to 1 gallon water.

For Heavy Floor Finish Build-up or Wax Sealer Removal: 1 part stripper to 6 parts water, or 20 oz. stripper to 1 gallon water. Apply stripping solution liberally and allow to stand on the floor 5 minutes. Agitate with a floor machine equipped with a synthetic stripping pad. Remove the dirty solution of re-emulsified wax with a mop or wet vac. Rinse floor with clean water and allow to dry before rewaxing.

SPECIFICATIONS

Color	Colorless	Foam Level	Low to medium
Odor	Bland	Viscosity (cps)	< 10
pH (Concentrate).....	13.4 ± 0.3	Density (lbs/gal).....	8.9 ± 0.1
pH (1:16)	12.6 ± 0.3	Floor Finish & Wax Removal	Excellent
pH (1:6)	12.9 ± 0.3	Shelf Life	1 year minimum in original unopened container
Flash Point	None		
Water Solubility	Complete		

SAFETY INFORMATION

DANGER: CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. KEEP OUT OF REACH OF CHILDREN.

Prevention: Do not breathe mist or vapor. Wash hands thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

Response: If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing

before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. Specific treatment (see this label).

Storage: Store locked up.

Disposal: Dispose of contents/container in accordance with local regional/national/international regulations.

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

All components are on the U.S. EPA TSCA Inventory List. For Commercial and Industrial Use Only
