

SUPER NAC®

Concentrated All-Purpose Cleaner

DESCRIPTION

A concentrated, well balanced all purpose cleaner designed for safe removal of all types of soiling conditions. This product is manufactured with a blended synergistic detergent system to maximize emulsification and wetting properties.

PRODUCT FEATURES / BENEFITS

- Safe for any water washable surface / Can be used on any surface without fear of damage
- Contains no strong alkalis, glycol ethers and is all biodegradable / Offers maximum safety to users and is environmentally sound
- Pleasantly colored, scented, and viscosity controlled for maximum user appeal / Thick, clear, pink, citrus scent lends user appeal
- Multipurpose / Reduces inventories of required products and aids in ending confusion as to what product to use
- Combines natural and synthetic cleaning agents in a mixed charge system / Blended systems to offer maximum cleaning benefits against a variety of soils

DIRECTIONS FOR USE

SUPER NAC highly concentrated general purpose cleaner with a scientifically controlled formula designed to work effectively on all types of surfaces and soils. Recommended for: walls, floors, woodwork, blinds, furniture, glass, metal, porcelain, rugs, upholstery, office equipment, trucks, automobiles and more. Safe to use on any material that is not harmed by water. Floats grime away and brings out the natural beauty.

Using the dilution chart below as a guideline, apply to soiled surfaces by spraying, mopping, brushing, or any other convenient method. Allow sufficient time to work, agitate if necessary, rinse and allow to dry.
