

17" & 20" PRO SERIES STONE BLAZER™

Ultimate Duty Stone Restoration Machine

DESCRIPTION

PRO-SERIES is designed for the most discriminating Professional Stone Maintenance Worker. The PRO-SERIES Stone Blazer™ unique features include extra wide handle, ergonomically designed Top-Lock™ adjustment system, and extra heavy duty 4 gallon solution tank with 3/8" positive shut-off valve. Standard features include a fan-cooled, completely enclosed 1.5 horsepower motor that resists dust and moisture penetration and is ideal for use in harsh conditions such as marble or granite maintenance. With a steel welded frame and added weight capacity of up to 200 lbs. these versatile units can be used for cleaning, crystallization, wet polishing or diamond grinding of marble, granite, limestone, concrete, terrazzo, and other stone surfaces. Equipped with performance and convenience in mind, PRO-SERIES STONE BLAZER is ready for all stone maintenance tasks... right out of the box.
