BOLT™

Ultra Concentrated No-Rinse Speed Stripper

Stripping comes down to COST and PERFORMANCE

COST

A defining factor in the cost of no-rinse strippers is the 'activity' level of the formulation. The higher the activity level, the more stripper solution can be made.

Unique Quart Package makes BOLT™

- Easy to distribute
- Easy to dilute

PERFORMANCE

- Ultra Concentrated
- Lightning Fast Stripping Performance
- Superb wetting system, remains wet longer to eliminate re-wetting which adds extra work.
- Low Odor formula for use in virtually any situation.
- Does not require flood rinsing or neutralization.
- Mixes quickly and easily.
- Low Foaming makes cleanup easy with automatic scrubbers and wet pick-up vacuums.
